

Good Samaritan Org 2024 Annual report

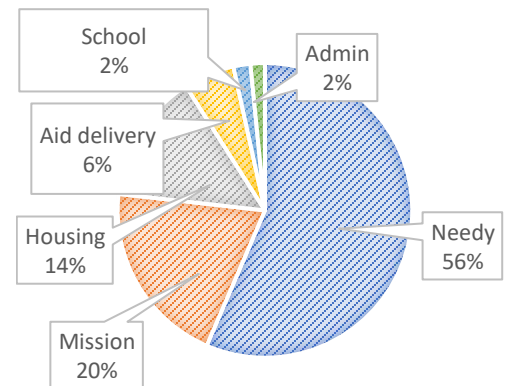

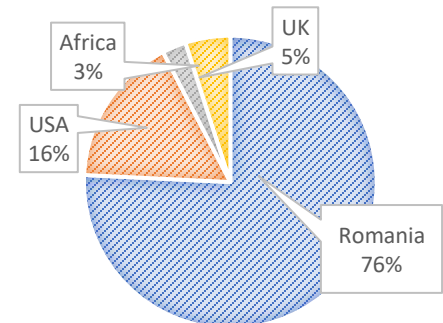

At the end of a fruitful year we'd like to extend a heartfelt **Thank You!** to all the donors that contributed to the organization's outreach activities throughout 2024.

Over the past year we distributed almost one hundred thousand dollars to needy families, missionaries and students for various needs:

- groceries, hot meal delivery to elderly, infant care needs
- surgeries, medicine, and medical supplies or travel to hospital
- home repairs, added electrical service, insulation, doors and windows
- firewood or utility bills
- missionary support in US, UK, Africa, Romania
- scholarships and school supplies in Detroit, Rwanda and Romania.

We pray that God blesses all those who work together to help the needy, support missionaries, and do any work that brings the good news of salvation through Jesus Christ to the world.

To provide accountability and transparency to donors, the board strives to conduct face to face meetings and visit those who receive aid especially in US and Romania. Included here are some of the details and pictures from our last visit to Romania. All board members volunteer their time and efforts while paying for their own travel expenses.

At Comana de Sus near Brasov, with Ghete fam and Curavale fam, both dedicated to loving God and caring for people
